As we discussed today, on telephone call, I shall appreciate your keeping me informed of the progress of developing the guidelines and selection criteria for the grant from the Federal Centers for Medicare and Medicaid grant which will permit the transfer of patients from nursing home care to home care.

I shall also appreciate any insight you can provide related to the type of care that will be provided under this grant. I have a family member that, if care is appropriate, would be a candidate for this program. I can be reached as follows:

Telephone: 864 268-0020
cell phone: 864 313-5520
fax: 864 244-2311
e mail: eaglegr@AOC.com

Thanks for your efforts and I look forward to future communications.

Dear Mr. Wilson,

Thank you for your letter of February 6, 2007. We have been awarded the "Money Follows the Person Grant" and have begun the implementation phase. We anticipate the program will be in place by the end of the year.

As per your phone conversation with Susie Boykin of my staff, we may be able to assist your family member now through the Community Choices program. After you have had a chance to discuss this information with your family, please call Kristin Taylor at 864-587-4707 or Ms. Boykin at 803-898-2590 to make a referral. Also, if you have any questions, please feel free to contact me or Ms. Boykin.

Sincerely,

Susan B. Bowling
