Coming soon: Redetermination for Extra Help in 2017

The Centers for Medicare & Medicaid Services (CMS) recently published a reminder memo about the process for redetermination of the Part D Low Income Subsidy (LIS/Extra Help) in 2017. Individuals who no longer qualify for LIS, who are randomly selected for cyclical redetermination, or who will face a change in their copayment levels, will begin to receive letters from CMS and Social Security in early fall. Learn more about this process in our fact sheet on redeeming, redetermination, and reassignment.

Featured resource: Medicare for federal workers and retirees

Individuals who currently work for or are retired from the federal government have many considerations to make regarding enrolling in Medicare, and how it coordinates with Federal Employee Health Benefits Plans (FEHBP). We've updated our fact sheet that lays out these concerns; we also covered this situation in our June 2016 webinar of common, but challenging, Medicare scenarios.
