Mr. Hatfield,

Thank you for getting back in touch with me so soon. I am drafting a calendar proposal for the next 6 months and will run it by our chief of staff after I get this kind of information from county parties around the state. Your information was incredibly helpful in drawing up this calendar. We hope to be able to meet with your group in the near future, so I will get in touch with you as soon as possible with more definitive scheduling possibilities.

Thanks again,

Hayden Grooms

Dear Mr. Grooms:

Thanks for your e-mail.

My name is Tom Hatfield and I am the Moderator of the Hilton Head Island 1st Monday Republican Lunch Group. 1st Monday was formed about 17 years ago and I have been the Moderator ever since. As our name implies we meet the 1st of every month and we have been very successful in attracting some excellent speakers, both political and non-political. Speakers have ranged from Presidential candidates all the way to local politicians. We meet at noon at Aunt Chiladas Restaurant at 69 Pope Ave. Since 1st Monday is a Group and not a club there are no memberships and therefore no dues. Reservations are not required. Lunch is only \$10 including beverage, tax and tip. Attendance is between 60 and 150 depending on the speaker.

Lt. Governor Bryant would be a welcome guest and speaker. Right now we are booked through May but are completely open after that.

Please let me know if the Lt. Gov. is interested and if you have any further questions.

Best Regards,

Tom Hatfield

Good morning,

My name is Hayden Grooms and I am the director of External Affairs for Lieutenant Governor Bryant. The information posted on the SCGOP website seems to be outdated, so I am contacting various Republican Party clubs and associations throughout the state to try and update this information. I hope to be able to propose a calendar to the Lt. Governor detailing some possible events that he could attend to address local

issues with local party members.

I am wondering who would be a good contact, if not you, to schedule these events and possible speaking engagements. Where the meeting is located? Lastly, what is an estimated average number of attendees so that, if need be, we can prepare the correct amount of literature?

Thank you for your help and your service to the Republican Party.

Sincerely,

Hayden Grooms
