So sorry to hear about Hunting Island. I know you guys worked really hard to get it reopened. I was wondering if you will be giving an extension on the annual pass, or offer next years pass at a discounted rate? Good luck, and I can't wait to come back. Please keep the updates coming, and let us know when you're looking for volunteers to help with projects. Thank you!  
Jason

Jason, if you currently have a park passport, when the park reopens, they will add the months that you missed (due to the closure) to your passport. You will need to touch base with the park on this when they reopen. I hope this makes sense and helps! Thank you.
