Ok. I can't imagine why you'd think his schedule might change.

I was planning on calling closer to the 23rd date in case his schedule changed. Will give the AAA a call tomorrow and get back with you.

Have you been able to find anything for Aiken? He needs to be downtown around 11.

Ray,

The LG's schedule has changed since we spoke yesterday, and he will unfortunately be unable to make a stop this go-round after all. I hope this will not disappoint the Rockin-ettes, but I do appreciate your help checking in to see what was going on. Good talking with you, and hopefully he'll be able to make something else in the Myrtle Beach area soon.
