## South Carolina State Parks

at 17:28:13 on 10/25/2012 UTC · 🌐

Ever heard an alligator bellow? Me neither, until I watched this video taken by park friend Phil Lanoue at Huntington Beach State Park! Turn your volume up and watch & listen!

### Alligator Bellowing

An alligator that had been laying quietly at the edge of the marsh pond suddenly started bellowing.

**Cathy Robbins** Heard them at Huntington Beach State Park several times- there was a crowd of people watching from the road one time, but the crowd sure thinned as some of the onlookers tried to make a hasty but discreet retreat!! Heard it at night too when camping- and told ourselves it was owls with laryngitis...
