Professor Robert George sits down with GOP Presidential Candidate Mike Huckabee to discuss the issues [Roman] Catholic voters are most concerned about in the upcoming 2016 election.

From Columbia Christians for Life:

In the opinion, of this writer, Mike Huckabee is more convincing than Ted Cruz, that Huckabee not only believes, adamantly, the unborn child is a PERSON, but that Huckabee has COMMITTED publicly to ACT to bring that to pass if elected President !

Mike Huckabee also strongly, passionately expressed his support for the Personhood of preborn Human Beings at the first Republican Presidential candidates debate on August 6th:

(Debate [Video <https://www.youtube.com/watch?v=52Zedfm_TIA>](https://www.youtube.com/watch?v=52Zedfm_TIA) / Transcript <http://www.cbsnews.com/news/transcript-of-the-2015-gop-debate-9-pm/>>) Huckabee advocates PERSONHOOD rights of Unborn as 'PERSON' under 5th/14th Amendments in Republican Presidential Candidates Debate, Aug 6, 2015

Mike Huckabee: [edited, emphasis added]

"I think the next president ought to invoke the **Fifth, and Fourteenth Amendments to the [C]onstitution** now that we clearly know that that baby inside the mother's womb is a person **at the moment of conception.**

The reason we know that it is is because of the DNA schedule that we now have clear scientific evidence on.
And, this notion that we just continue to ignore the personhood of the individual is a violation of that **unborn child's**

Fifth and 14th Amendment rights for due process and equal protection under the law.

It's time that we recognize **the Supreme Court is not the Supreme Being**, and we change the policy to be pro-life and protect children instead of rip up their body parts and sell them like they're parts to a Buick."

(Video) 2016 Presidential Debate: Mike Huckabee

In his December 6, 2015 interview with Robert George, Mike Huckabee uses the word "personhood" and repeatedly uses the word "person" to express his principled pro-personhood position.

However, in the case of Ted Cruz, in his November 25, 2015 interview with Robert George, neither the word "personhood" nor "person" is ever actually spoken by Ted Cruz when Robert George brings up Personhood and the 14th Amendment. Lawyers know words matter. The legal term "person" has key legal significance.

What exactly is Ted Cruz responding "Absolutely, yes" to when he answers Robert George ? Is it "personhood" for ALL preborn Human Beings at fertilization/conception, with NO "exceptions", or does Ted Cruz only support incremental child-murder-by-"abortion" legislation, the kind of legislation which he touted in his interview with Robert
