Per the attached notice, the next Senate K-12 subcommittee meeting is planned for Wednesday, March 6, 11:00 – Noon, 209 Gressette. A few comments on the planned agenda:

- Please monitor the Legislative web site for possible changes to the meeting schedule and/or agenda.
- S.291 (First Steps) was carried over in today's meeting, so testimony was not received. If you wish to make a few brief remarks to the committee on this bill at the 3/6/13 meeting, please let me know as soon as possible.
- Testimony on S.362 was received today, but was carried over. At the 3/6/13 meeting, members may have questions for stakeholders, since there was not time to do so today (and there are questions and amendments to address).
- Anyone wishing to make a few brief remarks on S.128, please let me know as well.

Thank you.
