Hi Katherine,

I could tell you were busy when I called a few moments ago, and I still look forward to speaking with you tomorrow after 11AM. However, I feel compelled to share that I received a job offer within the State Senate this afternoon. I do not wish to rush any decision in regards to the Governor's Legislative Liaison position, only to let you know that I must give an answer for the other job by Wednesday.

Sincerely,

Kate Maroney

Katherine,

Thank you so much for arranging my interview with Governor Haley this afternoon. Moreover, for the time you took to go over my résumé with me beforehand.

I hope you have a wonderful Thanksgiving with family in Hilton Head. Upon my return to the office, I discovered that PPF will be open until noon on Wednesday.

I look forward to hearing from you soon!

Sincerely,

Kate Maroney
