Governor Nikki R. Haley

I would like to request a copy of the report and investigative summary made against me, Iheilah Threadgill Owens of 134 merle dr Spartanburg SC 29307, on child abuse and neglect filed at Spartanburg County Department of Social Services. First case worker was Bobbi Jo Davidson, second case worker was Erica Puckett, and now the case worker is Paula Willison. I know my rights and I know I have the right to see what they are using against me.

Thank you
