Swati,

I hate it but I will be in Washington next Tuesday and Wednesday. I am on the board of the Republican State Leadership Committee with folks with Ed Gillespie and we have a very important board meeting next Wednesday morning in Washington and I just cannot miss it.

I really appreciate you and the Governor thinking about me. It means a lot to me and I really wish I could do it. But I am already obligated to be in Washington Tuesday and Wednesday of next week.

Thanks,

David

Ambassador Wilkins,

I wanted to let you know that we have rescheduled the Department of Administration bill signing event to next Wednesday, February 5th at 11:00am in Columbia at the State House. (It was cancelled this week due to the snow and the General Assembly cancelling session.)

The Governor would like to invite you to attend and speak at the event next Wednesday since you had a large part to play in government restructuring efforts during Gov. Campbell (Co-chairing the 1991 Government Restructuring Task Force) and while you were Speaker, sponsoring Dept of Admin bills.

Please let me know if you would be able to participate in the event. I would be happy to give you details of the press event and talking points if your schedule will permit your attendance. Our plan right now is to have you and Iris Campbell make remarks at the event to give historical perspective on the impact of this legislation. She has already agreed to participate.

Hope you had a good trip to Canada this week! Call if you have any questions.
