Subject: Florence County Convention

I just talked to Mr. Mal Weatherly and he said they'd love to have him come and speak at Florence County. The convention convenes at 11 AM and he said it will run about an hour to an hour and a half. I told him we could be there around 12:15, and he said as long as we don't arrive too much past that time then that would be fine.

Also, Anderson County Convention is tonight but I was never able to find a point of contact. I have it on his calendar starting at 6:30, just wanted to let you know.
