Subject: The Daniel Fund scholarship

Dear Honorable Haley,

Over the years as my interest in different activities waxed and waned my parents consistently impressed on me the importance of being well rounded. When I was younger I simply trusted their judgement, but as I have matured I now understand that demanding the best of myself in Boy Scouts, sports, flying, and school has instilled within me many intangibles that will ensure my success in life. If I attend the Citadel these intangibles will set me apart from the average student, and I will be an asset to my peers. As the last few months of my senior year are coming to an end, I am becoming increasingly excited to attend the Citadel. The rigorous demands embedded within the curriculum of this college presents me a new challenge that I am excited to face. However, being from out of state, the expense of tuition is simply not within my family's price range. We have searched and applied for several scholarships, but in order for me to attend the Citadel I need more scholarship money. Therefore, I would like to ask you for an application for The Daniel Fund Scholarship. I have attached a copy of my resume to this email for your review.

Thank you for your time and consideration,

Jared Douglas
