Subject: RE: AAA Performance Measures - Additional States

Good Morning:

We all recognize going down the road of implementing performance measures in an HHR arena is a daunting task particularly when there is funding formula. I applaud your efforts.

Your agency responded to Erin's NASUAD survey that your state has some form of performance measures in place for AAAs and that you would be willing to share them. If you would kindly send us what ever you may have, whether it is policy, contract or just a process, I am sure we all would be interested.

Thank you for your help!

Tim
