Subject: 10 ways to modernize the UK / Greenest smart city you've never heard of? / Meet the Smart Fleet

WELCOME TO SMART CITIES NOW

Updates on smart city progress around the globe

NEWS & TRENDS

\$3 billion to tap IoT's potential: Smart cities are an important subset of the Internet of Things, yet IBM estimates 90% of all data generated by smartphones, tablets, connected vehicles and other connected devices is never analyzed or acted on. Read how IBM plans to change that -- and what it could mean for your city. [MORE >>](#)

10 ways to modernize the UK: A new report from the Green Investment Bank highlights 10 innovative technologies that can improve the UK's urban infrastructure right now. All 10 are already being used in at least one UK city or town. Get the details. [MORE >>](#)

Meet the congestion-busting Smart Fleet: Qatar's traffic jams could soon become a little less intense thanks to new technology that helps businesses better direct their fleet vehicles. Find out how Ooredoo's Smart Fleet solution helps cut pollution and fuel costs too. Could it work in your city? [MORE >>](#)

Partner spotlight: Allied Telesis, GE, Siemens, Veolia

Allied Telesis expands solutions for schools, hospitals, governments... Gartner names GE an industry leader in ADMS... Siemens eHighway project taking shape in California... Veolia tapped to help Southend-On-Sea improve recycling rates. [Get the details >>](#)

PRODUCTS & SERVICES

Sounds unlock cities for the blind: Many blind people say they're afraid to leave home. Transit, which should be a big help to them, is actually one of the biggest obstacles. Learn how a system from Microsoft that lets the blind see with their ears is helping. [MORE >>](#)

WORTH WATCHING

The greenest smart city you've never heard of? There are a lot of ways to make cities smart and sustainable. When officials in the Israeli city of Kfar Saba started down that path, they took a multi-faceted and decidedly citizen-centric approach. Read why they're so proud of the smart and green transformation underway. [MORE >>](#)
