**Subject:** press inquiry re Governor's budget plan

Hi Rob and Chaney – Happy Friday! I am looking to write an article for our Daily Tax Report and other publications we issue on the governor's budget proposal (focusing on the tax code revisions she is proposing). I couldn't find a link to the budget, summary, etc on your website...can you send to me?

As always, thanks for your time and efforts!

[illegible]
