Dear Mrs. Gwoner Haley.

My name is Diane H. Wilson  
I live in Georgetown SC. I have  
lived in town all my life. Both  
of my parents are gone home.

When my mother left me  
a trailer. My trailer is about  
29 years old. I live here with  
my baby daughter & grand kids  
and my sick husband. When  
the heavy rain in Oct-<sup>1995</sup> some my  
trailer was moved in Bathroom  
in kitchen. And my walls are  
falling apart. This is the only  
home I have. I am on a fix  
income and my husband is not  
able ~~to~~ to work. Yes I am a  
low cost Redempt. But I need  
help with my house. Why my  
grand kids can have a home  
where I pass away one day.  
I have heart problems & leg stints.  
I need some help. Is there  
any good way you can help me  
out. And find it in your heart  
to please help me out by seeing me  
on T.V. you seemed to be a fair lady.  
And I hope you will help me  
out. I want to be able to leave  
my kids & grand kids a place to call  
home. And for my husband.
