Subject: Surge in New Hampshire

It was just confirmed that I will participate in Thursday evening's Fox Business primetime debate.

This news came on the heels of three polls of likely New Hampshire voters that all showed me tied for second place. We have momentum and it's happening at just the right time before the Feb. 9th primary.

But here's the catch, Katherine - we have 28 days to go and it's critical that we keep our surge going strong!

Will you invest in our campaign RIGHT NOW with a quick \$25, \$50 or more contribution?

If we want to win in 2016, we need to select a candidate who can defeat Hillary. No Republican has EVER won the White House without winning Ohio and **I am the only candidate who can guarantee you that I will defeat Hillary in Ohio.**

With your help, not only will we be the story coming out of NH, but we'll have the momentum we need to win the nomination.

The money we raise will go straight into our get-out-the-vote operations and to support our NH team that is widely credited with being the strongest organization in the state.

Katherine - Are you with us? Let's win!

Thank you.

Sincerely,

-John
