---

I'm contacting the attorney, not his law clerk to inform him that we never received the physical copy. I am betting it went to the Ombudsman at the Department of Administration. I will also let him know that he can resend his request to the correct address.

Dale, we will need to set a time to discuss what we can and cannot respond to in this request.

I just happened to click on the "Junk" e-mail tab on our general account to clean it out and came across this message. They used an outdated e-mail address AND the wrong physical address, so I doubt we've received the snail mail version either.
