Subject: Request for 30 min. Intro Meeting

Dear Swati and Katherine:

My name is Marlowe Foster and I am the new Government Affairs executive for BASF in the Gulf Coast region. SC is considered part of the Gulf Coast in our state allocation. I will be on a South Carolina / Georgia swing the week of August 22nd and wanted to check your calendars for the morning or afternoon of August 22nd or the morning of August 23rd for a brief 30 minute meeting. This is for introductory purposes. I have no specific issues.

As you know we have a significant presence in Seneca, SC and I would like to acquaint you with me and our BASF facility there. During this trip I will also be meeting with Secretary Hitt, the South Carolina Manufacturers Alliance and several state legislators.

Thanks so much for your consideration and I look forward to seeing you soon.

Best,

Marlowe
