Re: Health Insurance

Dear Governor Haley,

My life was almost destroyed in a near fatal accident, and I am not able to work. I am writing this letter to ask you to please reconsider the lowest amount allowed for receiving Medicaid coverage. I was receiving Medicaid for quite a while and recently found out that my meager Disability Social Security Income of just over \$1,000.00/month was over the limit, and now I must find insurance coverage to cover the 20% not covered by Medicare Insurance.

Because I live alone, the only income I receive is my Disability Income from Social Security once a month. That is all I have to live on. Please find a way to allow me to receive full Medicaid coverage. My rent has gone up \$40.00. Everything is going up. Please help! Surely you can make an exception for my case. Is there an organization that helps people like me to pay their medical

bills and rent and other expenses, please let me know? I am desperate!

Should you need anything further regarding this matter, please let me know. Thanking you for your kind assistance,

I remain,

Sincerely,
Sondra Shanky
