Hey Brian,  
Thanks for talking with me.  
I was just trying to get a little more information on the governor's testimony tomorrow about Gitmo and transferring prisoners.  
Could any prisoner be moved to SC?  
Can you tell me any of the Governor's talking points -- or even quotes I may be able to use when I preview the hearing tomorrow morning?  
Why is the Governor coming to testify?

I'm at 202.507.0496 if you need to reach out.

Thanks,  
Jackie
