Subject: Jasper Ports Event

Brian,

Rob and I discussed this and he said you get to do the honors of running point on this event. Thanks!

The event is scheduled for May 2 at 10:30. This is our event so we get to build it and work with the SC Ports Authority and the Jasper local officials. Your point of contact at SCPA should be Erin Dhand, their comms person and your Jasper POC is Andy Fulghum, the County Administrator.

Ideally, we'd like to do a tour of the Jasper Port site; a 30 minute meeting with the Jasper County officials, Ports officials, Army Corp officials and the Jasper Port consultants probably at the county council chambers; and a press conference to highlight the importance of the project to the area and give a status update of the project. A tour may be take too much time, but we should see if it's possible.

NH will fly there and back on the state plane.

I'll help you, but wanted to go ahead and get this on your radar. First thing, is we'll need to make sure the SC Ports members and Jim Newsome can attend on that day/time – Erin should give you that answer.
