Ms. Scott,

I wanted to let you know what's going on with this case. I was informed by the people in VA last Wednesday, that they received the Governor's Warrant on 10.21.2015. Mr. Rowley had another extradition hearing on 10.19.2015 and it has now been continued to 12.14.2015. However I was told that the warrant would be sent to the sheriff's office in the county he lives (Spotsylvania County, VA) for service before the December court date.

Thanks again and have a great day. I attached the status paperwork I received today to this email.

Ms. Scott,

I just wanted to let you know that Mr. Rowley was released on bond before Virginia authorities served the Governor's Warrant. I spoke with staff up there and they requested the case be continued until October 19th at which time they will serve the warrant if he appears. I honestly would be surprised if he shows up because he knows what's coming next and he has a history of failing to appear in court. Hope your day is going well!
