Hi Chaney

I hope this email finds you well. I wonder if I could possibly interview Gov. Haley Feb. 18 or 19th or at any other date it would be convenient for her. I wouldn't be longer than 5 minutes. And it is for a show in Switzerland which is also viewed in Germany and Austria. And I know there is also a fair amount of investment by Swiss companies in your state.

The subject would be the primaries in SC and the importance of SC in the GOP race.

Thank you very much for getting back to me. I would really appreciate your answer.

Best, Peter
