Richele,  
What I would really like is for you to remain since you understand what we are trying to do. However, I know that is probably not possible. Let me talk to the team. I don't know Emily, but I am sure that she is very smart. Do you think that she would have the time given that she is learning her agency?

Marcia

Marcia,

Hope you are doing well! I haven't seen you in a while but you have been in my thoughts and prayers.

I have moved over to the Governor's office as legal counsel. I wanted to ask who you would like to take my place on IT Shared Services – I am assuming I should pass to my replacement, Emily Farr. However, I didn't know if you wanted her to assume that role or you wanted to meet her first as I know you have directed the various teams.

Thank you,

Richele
