Good afternoon. I am trying to find out rules around truck camping in state parks that wouldnt be staying at a campground. Looking for road side spots that are legal to pull over and sleep in. Is this allowed and is there any resource showing where? Thanks!

We don't offer any type of camping like this in our state parks. Thanks.

But is it allowed?

Like is it allowed to sleep in the back of your truck for instance?

No. It is not allowed. You must be in a designated camping spot to stay overnight.

Yes, you can sleep in your truck but you must be on a campsite and pay for that spot.

Not even on any fire/service roads?
