Subject: Secretary of State Talks

Dear Mr. Adams,

My name is HJ Mai and I'm a U.S.-based freelance journalist. I'm working for German news channel n-tv (<http://www.n-tv.de/>), covering U.S. politics. I was wondering if Governor Haley has any comment on the talks, considering she was not really a supporter of the new president-elect.

Please let me know if you have any questions.

Kind regards,
HJ
