Subject: Potential African American Board Member - Female

Hi Bill

I came up with another recommendation for a potential African American board member. Her name is Deborah Breedlove. She is a very prominent African American entrepreneur and financial planner in the Midlands. I think she would make an excellent addition. Also, with Willis Ware, she would help cover all of the bases. You would have a Black man and a Black woman on the Board. Let me know if you want me to arrange an introduction for you. By the way, I already e-mailed Willis and have not heard back. He must be in class. Kay
