

Governor Haley,

I believe most of us in SC
will remember 2015 in SC
as the year of the flood. I
want to take this opportunity
to say thank you for your
excellent preparedness. I did
immediately on Facebook, but
knew that you would not be
viewing my FB page. Many people
who did view it all agreed -
no one disagreed. I think your
management of the disaster was
far superior to any governor in
this country during a disaster.
Thank you for all you do
for SC.

"I CAME THAT
THEY MAY HAVE LIFE,
AND HAVE IT ABUNDANTLY."

Gov. Haley + Family,

A Christmas prayer

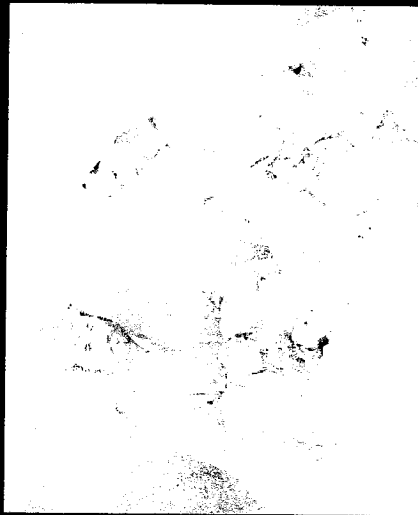

for you and yours

for everything

that is blessed and beautiful -

always.

Sam & Glenn Cerezo
- so sorry that we could not make
it to the party - had eye surgery the
previous week. HC.

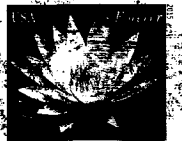

May your Christmastime be blessed,
May the true meaning of the season
touch your heart in a special way,
May the warmth of friends and family
bring you joy the whole year through,
And until Christmas comes again,
May God fill all your days
with His great love.
