Subject: Statement of Economic Interest

---

Good Afternoon Darryl,

In discussion with the State Ethics Commission, we have learned that a few employees of the Lieutenant Governor will need to complete a Statement of Economic Interest. As the Director of the Office on Aging, you are one of the employees that will need to complete a Statement of Economic Interest, as will the Chief Financial Officer and the Chief Procurement Officer for the Office on Aging. The State Ethics Commission's explanation of the Statement of Economic Interest can be found here: <http://ethics.sc.gov/StatementofEconomicInterests/Pages/index.aspx>

The filing is electronic and is due by March 30<sup>th</sup>.

I am happy to sit down with you or whomever else from the Office on Aging needs to file to go over what is needed and answer any questions. Thank you for your help with this.
