The SC Dept of Parks, Recreation & Tourism is looking for your input! We encourage SC Residents to take the survey found at the link below, and share your opinions so state and local communities can identify current recreation trends and planning priorities. Find the survey here:

**Andy Dorski** There was no question about if you like the new reservation system 😊😊😊

**Jessica Bouknight Bullard** Andy Dorski I haven't taken the survey yet but thought I really hope I can share feedback about Hope much I miss the old reservation website!

**Christine Marshall** Andy Dorski I'm getting ready to make camping reservations soon, what do I need to know in advance?

at 1:47:31 on 1/29/2019 UTC

**Steve Anderson** Pretty dumb questions

**Harriet Stevens Blanton** I so wish somebody would have a real conversation with campers, not just a "canned" survey after a camping visit whereby you wonder if anyone is paying attention.

**Lauren Buckler** Adam Buckler

**Brian S Boynton** Why don't you offer incentives to people to stay at parks in exchange for feedback

at 2:02:35 on 1/29/2019 UTC

**Stevie Ray Kenward** Hi. I have no problems with reservations, or cancelling them if I need to. I also talk to most of the rangers or anyone else that works in the parks. We even made dinner for a park ranger after she got off work. They're busy but all have a few minutes for a chat.

**Sylvia Hart** Boy you are right.... what difference does your ethnicity make to whether you enjoy a park.

**Morgan Liner** Is it possible to get a few trash cans near main buildings at some of these parks? 🗑️

at 3:09:31 on 1/29/2019 UTC

**Lisa Miles Bryant** Not really sure what they are learning from these types of questions.

**Sheila Dye** Frequent camper perks would be nice!

**BK Koshar** Morgan Liner we found out the hard way that there are No, yep, zero trash cans for the camp ground at Keowee Toxaway! You can recycle, but you have to hump out the trash. Was nice to find out since we were there a week!

**Morgan Liner** BK Koshar I found that out with William one time at Paris Mountain! We grabbed lunch for a picnic on the way in before our hike and we had to go all the way back through the parking lot, which with a 3 year old TOOK FOREVER! Then he just wanted to play on the playground 🤦🏻🙄

**BK Koshar** Morgan Liner you'd think they would have mentioned that detail when we made a week long reservation. Thank goodness it was winter so at least there was nothing stinky!

**Uma Kaufman** Improvements to campgrounds would be appreciated. Bigger sites & add 50 amps as well as more sites at times hard to get a spot unlike 10 or so years ago you could just go camping on a whim
