Subject: SCEIS Password Expiration in 10 days

Attention: Kester, Anthony

Your password is going to expire in **10** days for your account: ant06864.

This email is being sent to you from the Identity Management System (IdM), and it is automatically generated, so please do not reply. You will continue to receive a notification email until you change your password or it expires.

You can either go to <https://myscemployee.sc.gov> and click on the link to change your password, or you can go to <https://myscchange.sc.gov> to change your password now.

If you have not already done so , please go to <https://myscquestions.sc.gov>, log in, and set up your password reset access while you know your password. Doing so will enable you to reset your own SCEIS password, even after it expires, and it only takes a few minutes to fill out your information.

If you have any question as to the validity of this email, please go to <http://sceis.sc.gov/requests> and put in a Help Desk request.
