Katherine,

Looking forward to tomorrow. I believe Jerry Stoudemire with GOSC (NRA's State Affiliate) would like to speak, and Mike Bodner, a local NRA and GOSC member, is interested in speaking. I leave it entirely up to you as to how you want to handle speakers. I don't have to speak, if you'd prefer to have locals do the talking. Just let me know what you prefer.

Thanks,

AR

Looks like it will be me doing the speaking. Herb will be out of town, but if that changes, I'll let you know.

Also, Sen. Courson also did a lot of work to push the bill through. Most of the Senate Republicans were quite helpful, and they stood together as a unit. Sen. Shealy is another good one to single out, as her election was key to getting the bill through.

Thanks,

AR

Doug,

I just wanted to try to touch base with you on when Gov. Haley may sign S 308. I had left a message when it first passed, asking if she was interested in doing any sort of signing ceremony. I presume she is not, which is fine. I was just trying to work on some travel scheduling, in case she was.

I know she intends to sign the bill, but now I'm just trying to figure out timing, so I can coordinate our communication to our members. If you can give me any information, I would appreciate it.

Katherine,

Hope all is well down south. I was wondering if your office might have a high resolution photo of Governor Haley, preferably with a firearm, that we may be able to use in our magazines? If you don't have anything, perhaps you can point me in the right direction. Something that clearly shows her face is key, so if nothing involving firearms, then maybe something with her in camo?
