[1970] Then-Congressman **George HW Bush** :

' **Champion** ' of Title X 'Family Planning' Program which now gives approx. \$60 MILLION per year to mass murderers **Planned Parenthood**

George HW Bush played a leading role in promoting the federal Title X program enacted in 1970, which has now given an estimated \$1.9 Billion to genocidal mass murderers **Planned Parenthood**, 1971-2018.

Title X, a major source of federal funding for **Planned Parenthood** now for 48 years since approved and enacted into law in 1970 (PL 91-572) was "**championed on the Hill** by former President and then-Congressman **George H.W. Bush** and signed into law by Richard Nixon."

"We need to make **population** and family **planning** household words." **Bush said in 1969** when the legislation was being debated. "We need to take sensationalism out of this topic so that it can no longer be used by militants who have no real knowledge of the voluntary nature of the program but, rather are using it as a political steppingstone. If family planning is anything, it is a public health matter."

CLL Note :

The **Bush Family-Planned Parenthood** connection goes back to George HW Bush's father, **Prescott Bush** , who was the **treasurer** of the first national capital campaign of **Planned Parenthood** in 1947 (when **George HW Bush** , b. 1924, was 23 years old).

Prescott Bush was involved with **Planned Parenthood founder's Margaret Sanger's**

American Birth Control League as early as 1942.

Prescott Bush

Planned Parenthood National Treasurer 1947

"The Family Planning Services and Public Research Act of 1970, often called Title X Family Planning Program, is a US federal law that provides federal funding for **family planning** services to low income or uninsured families.

The US federal government passed the law, Public Law 91-572, in 1970 as an amendment to the Public Health

Services Act of 1944. The Act created the Office of Population Affairs (OPA) under the Secretary of Health,

Education, and Welfare (here called the Secretary)."

continued...

"In his 1969 letter, Nixon also proposed that US women should have available resources that could aid them

in **family planning**. He further emphasized that their economic conditions should not

deter their access to those resources. Nixon urged Congress to provide adequate family planning services within the next five years, and he further requested that Congress create legislation that would provide family planning services to any US citizen who requests them. The initial legislative measure was sponsored in the US House of Representatives by James Scheuer, a Democrat from New York, and George H.W. Bush Sr. , a Republican from Texas, and in the US Senate by Joseph Tydings, a Democrat from Maryland, and Charles Percy, a Republican from Illinois. In 1970, both chambers of Congress passed Public Law 91-572, the Family Planning Services and Population Research Act, with bipartisan approval."

Title X Funding History (HHS.gov)

<https://www.hhs.gov/opa/title-x-family-planning/about-title-x-grants/funding-history/index.html>

"The Title X Family Planning program ["Population Research and Voluntary Family Planning Programs" (Public Law 91-572)], was enacted in 1970 as Title X of the Public Health Service Act. Title X is the only federal grant program dedicated solely to providing individuals with comprehensive family planning and related preventive health services. The Title X program is designed to provide access to contraceptive services, supplies, and information to all who want and need them. By law, priority is given to persons from low-income families."

CLL Note : Title X (included in the US DHHS Appropriations bill) includes:

- Title X chemical abortions [i.e., chemically abortifacient "birth control" drugs and devices]
- Title X drugs and devices to unmarried young adults with which to fornicate
- Title X birth control to minors with which to fornicate, even if the minor child's (young adult's) parents object to this intervention by the gov't.
- Title X money for Planned Parenthood ***

*** On September 22, 2015, the Congressional Budget Office (CBO) estimated that Planned Parenthood Federation of America (PPFA) and its affiliates receive approximately \$60 million annually through the Title X program.

https://www.everycrsreport.com/reports/R45181.html#_Toc527385779 [FN 98]

Funding History

Fiscal Years: 1971 through 2018

Title X Appropriated Funds: Total Title X funds appropriated in 48 years is approx. \$9.4 Billion.

CLL Notes : 1) In FY 2015 the total amount appropriated for Title X was \$286,479,000. CBO reported in September 2015

PPFA receives approximately \$60 Million annually through Title X, so PPFA received est. 20% of the total Title X appropriation in FY 2015.

2) If that same 20% percentage is applied over the 48 years of the existence of the Title X program (1971-2018), then the Title X program alone has given an estimated \$1.9 Billion to PPFA.

Planned Parenthood's evil origins date back to 1916 when Margaret Sanger opened the first birth control clinic

in the United States in Brooklyn, New York, for which she and others were arrested. "Birth control" (child prevention),

a term coined by Sanger in 1914, was illegal. Margaret Sanger formed the American Birth Control League in 1921,

and was an advocate of eugenics , promoting birth control as a means of achieving her radical, racist, and immoral

goals. Sanger also supported eugenic sterilizations (Margaret Sanger, " IV. The Fertility of the Feeble-Minded ",

The Pivot of Civilization (1922), pp. 101,102). Sanger herself was an unapologetic adulteress over many years,

even forcing her last husband, wealthy businessman Noah Slee, before the marriage , to sign a written agreement

to insure her independence from him, enabling the continuance of her profligate adultery with

other men.

After the **American Birth Control League** merged with another Sanger-founded organization in 1939, the new, reconstituted organization was **renamed** the **Planned Parenthood Federation of America** in 1942. Did this also serve to distance the organization from the brutal **eugenic policies** of Adolf Hitler's Nazi Third Reich (1933-1945) ?

Margaret Sanger in her own words : These are quotes from Margaret Sanger's own wicked writings:

"The most merciful thing that the large family does to one of its infant members is to kill it."
Margaret Sanger, "The Wickedness of Creating Large Families", Chap. 5 in Woman and the New Race (1920), p.63
[https://en.wikiquote.org/wiki/Margaret_Sanger] [<http://www.bartleby.com/1013/5.html>]

"Birth control itself, ..., is nothing more or less than the facilitation of the process of weeding out the unfit, of preventing the birth of defectives or of those who will become defectives. ... If we are to make racial progress, this development of womanhood must precede motherhood in every individual woman."
Margaret Sanger, "The Goal", Chapter 18 in Woman and the New Race (1920), p.229

"The campaign for Birth Control is not merely of eugenic value, but is practically identical in ideal with the final aims of eugenics." "The Eugenic Value of Birth Control Propaganda" in Birth Control Review, October 1921, page 5.
[<https://lifedynamics.com/app/uploads/2015/09/1921-10-October.pdf>]

"As an advocate of Birth Control I wish ... to point out that the unbalance between the birth rate of the 'unfit' and the 'fit,' admittedly the greatest present menace to civilization, can never be rectified by the inauguration of a cradle competition between these two classes. In this matter, the example of the inferior classes, the fertility of the feeble-minded, the mentally defective, the poverty-stricken classes, should not be held up for

emulation ... On the contrary, the most urgent problem today is how to limit and discourage the overfertility of the mentally and physically defective." "How are we to breed a race of human thoroughbreds unless we follow the same plan? We must make this country into a garden of children instead of a disorderly back lot overrun with human weeds."

President George HW Bush:

"We have before us the opportunity to forge for ourselves and for future generations, a **New World Order**,

a world where the rule of law [sic - one world government], not the law of the jungle, governs the conduct of nations.

When we are successful, and we will be [sic], we have a real chance at this **New World Order**, an order

in which a credible [sic] United Nations can use its peacekeeping role [sic] to fulfill the promise and vision

of the UN's [sic - Jesuit-controlled CFR] founders [sic - global fascist tyranny]."

given at the United States Capitol, on January 29, 1991: (text)

"What is at stake is more than one small country, it is a big idea - a **new world order**, where diverse nations are drawn together in common cause to achieve the universal aspirations of mankind: peace and security, freedom, and the rule of law." "The world can therefore seize this opportunity to fulfill the long-held promise of a **new world order** - where brutality will go unrewarded, and aggression will meet collective resistance."

Address Before a Joint Session of Congress on the End of the Gulf War (March 6, 1991)

[President] George H. W. Bush

"Now, we can see a new world coming into view. A world in which there is the very real prospect of a **new world order**."

"Even the **new world order** cannot guarantee an era of perpetual peace. But enduring peace must be our mission. Our success in the Gulf will shape, not only the **new world order** we seek but our mission here at home."
