Good evening Katherine,

At this time space for 6 people would be great. If space does not allow we can easily make anything work.

Thank you,

Hannah,

How many tables and chairs do we need to set up for FEMA's disaster recovery assistance team?

The church does have access to wi-fi and a projector will be set up for anyone to use (if needed).

I will send a draft agenda this evening to the group.

Thank you,

Katherine
