**Suzanne Hart** Hurricane Dorian, please don't hit these parks hard because we have reservations here next year. I know that seems like a long way off but a lot of damage could keep these parks closed for a while. 🙏🙏🙏

at 0:50:38 on 9/02/2019 UTC

**Karen Serencsa** We just finished visiting all 47 SC state parks. It would be a shame for Dorian to ruin the beauty of these parks. We visited Hunting Island shortly after hurricane Matthew. I'm sure it took a lot to bring it back to it's fantastic shape only to see it ruined again. Dorian, please stay way off shore.

at 1:00:28 on 9/02/2019 UTC

**Diana Windt Bussard** We are at Hunting Island right now. Cutting our trip a little short. Leaving in the morning. Praying Dorian does not destroy this park again. This is our favorite beach.

at 1:13:50 on 9/02/2019 UTC

**Michael King** I hope your staff at those parks are ok.

at 2:07:35 on 9/02/2019 UTC

**Eric M Ward** We had reservations for this coming weekend at Edisto.

**Hannah Watson Nichols** What time in the morning will they close?

at 2:41:45 on 9/02/2019 UTC

**Larry Farnsworth** We left Angels landing early so could evacuate tomorrow or maybe early Tuesday

at 2:48:19 on 9/02/2019 UTC

**Hannah Sarah** I hate so much just how our beautiful state parks recover from one disaster whether it was the flood or a hurricane, they're faced with more possible destruction. SC State Parks are on my heart and mind 😊. Praying Dorian goes out to sea far far away.
