Governor of South Carolina  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley,

First of all, let us express our deep appreciation for your support of our work and activities!

We would like to invite you to attend the 2015 South Carolina Emergency Management Association (SCEMA) Workshop, which will be held at the Embassy Suites at Kingston Plantation in Myrtle Beach, SC, March 2-5, 2015. During the Workshop, there will be a variety of sessions of interest to our attendees. We will also have an awards banquet on Wednesday night.

SCEMA is an organization that serves the emergency management community by providing information, professional development, and networking through State and local agencies, private industries, and volunteer organizations to advance the emergency management profession.

We hope you will join us in making our event a success. Your participation will help ensure a successful event that will benefit the emergency management community and everyone who lives in our communities throughout the State.

For more information about the Workshop, please visit our website at [www.scemaonline.org](http://www.scemaonline.org) or contact me at (843) 545-3273. Please contact Cindy Grace at (843) 545-3273 or [cgrace@gtcounty.org](mailto:cgrace@gtcounty.org) with the names of the attendees and the days they will be attending the Workshop.

Thank you again for your cooperation in helping emergency management move forward in South Carolina.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sam Hodge".
