Subject: Todays BEA Revenue Estimate  
Importance: High

BEA met this afternoon.

No change in General Fund revenues estimate, however, appears that BEA FY15-16 year-end surplus estimate will be a little short.

Sales taxes above estimate, income behind estimate due to lagging individual declaration payments and refunds being greater than expected, corporate income tax ahead of estimate. See page 22 of attached for "KEY FACTORS" and page 23 for "ESTIMATES"

Lottery revenue estimate increased by \$30 million as follows:

- FY15-16 From \$375M to \$395M (+20M)
- FY16-17 From \$365M to \$375M (+10M)
