Dear Ms. Singleton:

This is a follow up to our conversation from last week in reference to scheduling a meeting with Fairfield Memorial Hospital, Palmetto Health and SC DHHS.

In a correspondence from Mark Loos of Palmetto Health dated November 14, he stated they would like to meet with us and SC DHHS as soon as possible. He further stated that Palmetto Health has determined that if the two facilities were to reach a definitive agreement on an affiliation, PH would qualify to receive the SC DHHS Transition Funds, provided PH agrees to be bound by the requirements as an "Advising Hospital". The meeting was to determine the aspects of the "Advising Hospital" in order to make a final determination.

If there is any way that we could move forward with this meeting, it would be greatly appreciated. As you know, we submitted our plan to Palmetto Health and they have reviewed it. It was also submitted to your office, and we were advised it has been reviewed.

Please contact me as soon as you have a date in which we can meet.

Sincerely,

Michael L. Williams
Chief Executive Officer
