**Subject:** Bosch Dinner

Hey Leigh! Hope you are well. I wanted to offer an additional invitation to the Governor that centers around the Bosch Rexroth Grand Opening. The night prior to the March 20 Grand Opening, Bosch will be hosting an intimate dinner with its International Board of Directors, its Chairman of the Board Werner Struth and its President, Mike Mansuetti. In addition to these Bosch VIPs, will be top executives from Caterpillar, Gradall Industries, AGCO, CNH, Heil and John Deere, to name a few of Bosch's suppliers.

Bosch would like for Governor Haley to be the keynote speaker at this dinner. If she accepts, Bosch encourages her to brag on SC and what a great place it is to do business since there will be top executives from several companies in the room. The dinner will be held at the Upcountry History Museum in Greenville March 19. If the Governor is able, here is a flow of the agenda for March 19. Much of this evening's agenda and flow will be dependent upon whether or not Governor Haley is able to attend. We understand if her schedule only allows her to speak and leave.

Would it be possible to get an answer by the end of the day tomorrow? I know that is a lot to ask, but it would be very helpful on Bosch's end to know either way. Thank you as always with your help with this!

#### **6:00 pm, March 19<sup>th</sup> Pre-Dinner**

Berend Bracht, Bosch Rexroth President – Welcome to guests and thank you to all for making this possible – 10 minutes

Stephan Spindler (or Bernd Schunk) – Global commitment to serving our customers – 10 minutes

Mike Mansuetti, Bosch President - Bosch commitment to serving the Americas – 10 minutes

Ken Hank – importance of customer relationships – 10 minutes

Mike McCormick – description of project and capabilities of new facility and overall campus – 10 minutes

Possibly one customer or distributor – importance of Rexroth relationship – 10 minutes

Total time - 1 hour

#### **8:00 pm March 19<sup>th</sup> Post-Dinner – Keynote Speeches**

Governor Nikki Haley – 20-30 minutes

Guest Speaker TBD – 30 minutes

Total time – Approx. 1 hour

Leigh,

I spoke with the Bosch team and 11:30 am is a perfect start time for the ribbon cutting/Grand Opening. Ribbon cutting with speeches will last approximately 30 minutes. Werner Struth, Bosch Chairman of the Board, Berend Bracht, Bosch Rexroth President and CEO will speak along with Governor Haley. Following the speeches, Mr. Struth and Bracht will tour the facility with Governor Haley. If time allows, we would love for Governor Haley to join the Bosch executives for lunch.

Thanks for all of your help with this Leigh!

Hi Sunnie, this is an event the Governor would like to participate in, however, the annual prayer breakfast event is on Wednesday, March 20th and I know the Governor has traditionally attended in the past along with many legislators particularly from that area of the state.

Do you think there's any movement on the date or time?

Thanks,  
Leigh

Leigh,

Bosch Rexroth in Ft. Inn has changed the date for its Grand Opening to Wed, March 20, 2013 at 9:00 am. This facility will be its largest facility in the Americas. Bosch executives and board members from Germany and China will be in attendance. It would me a lot to Bosch for Governor Haley to attend this special event and say a few words. Please let me know if her schedule will allow her to attend.

Thanks so much,

Katherine,

You were present at Bosch Rexroth's expansion announcement last Fall in Ft. Inn with the governor. At that time, the governor said that she wanted to come back for the Grand Opening. Bosch Rexroth is trying to secure a date now for the Grand Opening and would like to have it at the governor's convenience sometime Nov. 12-16 at the new facility in Ft. Inn.

Can you help with this or forward to the appropriate person?

Below is a list of participants:

- \* VIP Participants from our customers and suppliers (local and national)
- \* VIP Bosch-Rexroth executives
- \* As possible, all area congressmen and elected officials
- \* Greenville Technical College (with presentation of a significant Bosch gift and announcement of further cooperation)
- \* Clemson University and Clemson ICAR
- \* State Economic Development groups as well as GADC
- \* Bosch-Rexroth associates
