Subject: Federal Grants: What to Expect When You're Expending

Gain an understanding of what grant rules are under the new OMB uniform guidance, as well as common issues associated with federal grants.

Develop a basic knowledge of the mechanics of federal grants management. Learn about the essentials of grant administration, followed by a discussion of various misconceptions and common pitfalls federal grantees encounter.

Learning Objectives:

- You will be able to define what a grant program is.
- You will be able to describe the basic rules governing federal grants under the new Uniform Guidance.
- You will be able to identify the life cycle of a grant.
- You will be able to recognize common grant issues.
