Catherine,  
I spoke with Mrs. Kitchens about her husband's letter. She said he just wanted to voice his opinion that maybe legislation should be introduced to reduce the tax burden of owning unoccupied homes. She said they have talked with their legislators about the issue.

Thanks,  
dale

Good Morning Dale, The attached letter is from Thomas Kitchens, he and his wife are 71 and 68 years old respectively, they have ended up in a bad tax situation because of an inherited home. Could you please see if they could qualify for legal services. My thought would be that legal services may be able to advise them on their options for the property.

Thomas Kitchens phone number: 864-833-4747
