Subject: HCF: Palmetto State Reception

Hey there.....hope the weather warms up for all of us so we can truly enjoy the weekend!

Let's set up a time to meet on Monday if possible. Now that our board meeting has been cancelled my morning is free. I have the funeral in the afternoon at 3.

We need to go over the following:

- ☐ The "guest list": You all are supposed to have many of the invitees to me by Monday. Here is my quandary. My biggest question is going to be the same one from last year.....are you all going to be ok if the HCF invites the "SC Delegation"? Honestly, I cannot remember what we decided on all of this the last time it came up. I know from the Governor's perspective, if she invites one she has to invite all. But can WE – HCF - invite our delegation? We will certainly go with what you are determine. Simon is only asking if it is possible. He is not hell bent on inviting them. We are just asking.
- ☐ PSAV proposal: I showed it to Simon, Katherine and he seemed to be ok with it. It is simply going to cost what it costs. Thanks for sharing it with us.
- ☐ Invitations: The invitations are on their way via UPS and will be sent to Amy's office. Check on the stack for me Amy. I may have picked up and mailed the wrong one.
- ☐ We do have some sponsors we would like to invite. I can give you the list of those folks.

Have a good weekend!
