Katherine, Ted:

I had a constituent call me today about her experience trying to enroll her son, who is currently 17, in the Experian program. They apparently would not let her sign him up for next year because he will be 18 so the best she could do is add him now as a minor for a month and a half.

Can you get someone to phone her and help her out? Her name is Deanna Halloran and her # is 864-286-0572. Thank you Phyllis
