**Subject:** Updated Plan and Backup Info

Austin,

I am including the updated "plan", the new budget summary list, backup detail for pay increases (for other programs) and backup on the items in the budget list. Hopefully they all match and make sense, but I need someone else to look at them.

Let me know what time Monday and whether I should plan to bring anyone with me (i.e., what level of minute detail are you going to want to get into).

Thanks,  
Amber
