Hi Rob,

Left you a message....know how crazed you are so thought I would shoot you an email so you had all the info.

Savannah will be hosting TODAY in Charleston and we'd love to have the Governor join us as a live guest at 7am. We will be live from the church on the Corner of Calhoun and Meeting and would just need her there for 7--715am. Let me know if we could make this work.

Thanks for the consideration during what I know is a very trying day.

Lexi
