Senate moves swiftly on OAA reauthorization

Tomorrow, the Senate Health, Education, Labor and Pensions Committee will take up reauthorization of the Older Americans Act (OAA) as one of its first markups of the 114th Congress. Chairman Alexander (R-TN) enlisted the support of Ranking Member Murray (D-WA) and Sens. Burr (R-NC) and Sanders (I-VT) for the Older Americans Act Reauthorization of 2015, which builds upon bipartisan legislation that the committee adopted in 2013. NCOA has endorsed the bill and is urging the committee to send it to the full Senate for consideration.
