I am fortunate to have the team I do. They hate a good bureaucracy as much as I. Will do what we can to be more effective each day. thanks!

Thank you all for your assistance. I really appreciate the way that DMV is operating. This is an example of common sense being employed to resolve a citizens problem. Keep up the great work. Murrell

Hi Rep. Smith,

We were able to process the title request with the information provided. I spoke with Mr. Ashmore a few moments ago and he asked that I just place the title in the mail.

Please let me know if you need anything further.

Thanks,

Amy

Just had our team review the case. Thought we may not be able to work this due to the issue of probate. That said, I believe they have found a way to work this based upon "joint ownership" at time of death. Hope to have some good news before close of business tomorrow. My Chief of Constituent Services, Amy Teal-Hornsby will provide us both a detailed response. Thanks!

Amy – ball back in your court. Please forward Mr. Newman the original note so he is fully aware of this action. thanks
