Subject: Assistance with Rent

Attachments: Letter to Gov. McMaster.docx

Good morning Lt. Governor Bryant,
My name is Catherine Adams and I have reached out to someone in your office in regards to assisting with my rent. I haven't heard anything back and I am a bit concerned. I have completed the Rental Assistance Application, the only issue I'm having is with my landlord, Annie Sumpter, she would not sign off on the Landlord Verification section of the application. I am very upset and frustrated. My hours have been cut significantly at work and I have two children that are in college. I have a letter addressed to the Governor McMaster below. If there is anyway that you can help me that would be greatly appreciated. My contact information is below as well:

Thanks for your time,
Catherine Adams
